Customized Live Online Group Training Programs

The KPI Institute offers Customized Live Online Group Training Programs that provide a perfect blend of research, best-practice and best-in-class instructional design.

Leveraging on our extensive research work, our highly skilled faculty, our expertise in providing customized learning solutions, and our next-generation online technology, our Group learning programs are unique, readily-available learning experiences that deliver results for both your employees and your organization.

This fully customized training solution supports organizations of all sizes, to provide their employees with development opportunities in an efficient, impactful, and cost-effective way.

Benefits of customized live online sessions

► Flexibility and convenience

Participants can learn from anywhere and the course can be scheduled in consecutive days throughout one week or selected days over 2 or more weeks. Participants can access learning materials from anywhere, anytime.

► Customized course content

Course content, case studies, and exercises will be customized based on the group's industry or selected functional areas, as well as by assessing current needs and competency development requirements.

► Business continuity

You can continue your work, with daily sessions, scheduled for a maximum of 4 hours, to ensure both information assimilation and work-related task completion efficiency.

► Virtual collaborative learning

Facilitated inter-company learning is enabled, leading to Virtual Teams Cooperation and Communication, with the help of specialized E-Learning technology.

► Cost effectiveness

You will save approximately 40% of your investment when compared to traditional face-to-face in-house solutions, due to the logistical burdens being removed from both customer and contractor.
